

Pesto 012: Cloudsteppers - Make Me Shine promo feedback

Lena (AMDJs Radio show, St. Petersburg/Russia):

This release is one of the best releases in 2008 for sure! So deep and jazzy! Amazing mood! Full support from amdjs! My fav is "Bedroom Beach Mix". And I guess we'll play it in immediate radioshow!! also wanna mark the "Deep" and "The Disclosure Project" mixes. We'll play them too! Keep it deep!

Darren Holland (Baldeelox/UK):

Bedroom beach mix is the one for me here I think definitely. I think that one would be good for the new comp.

Oz (UCOH, UK):

As always Jon Silva's remix is outstanding, and also a great remix from Disclosure Project.

Vladimir Raketic (Belgrade Soul Direction/Serbia):

Thank you for promo!!! Nice tracks especially The Disclosure Project Remix. Keep rocking!!!

Amir Voloder (PushFM/UK):

I just listen to all the tunes, I am loving the Deep Mix and Jon Silva's Soda Inc mix, that wont leave my record bag for a long time, great work, well done.

Graham Sahara (Seamless Recordings/Ireland):

Cheers for the tunes, great release. I love the Scope mix, the bedroom beach mix and also the disclosure project mix, I'll play all of them depending on the crowd.

Cristian Paduraru (The Remix Label/Romania):

Yes, deep support for the inspiring electronic music! 10/10

Chris Mil (Cabrio. Housetrap/Estonia):

Great stuff! Jon Silva's Soda Inc. Remix works for me :) Pesto is back!!!

Ralph Boege (Worldless Management/GER):

scope mix is the one for me - funky, driving, like the creamy sound...
jon silva remix is the alternative tune in the package for me.
merci

Si & Piers (Stereo Mutants/UK):

Nice work chaps, some interesting remixes on here... we are supporting. 7/10

Steve K (Elektronik Gentlemen, Dolce Radio/Greece):

SUPERB new tracks m8!!!

I ll host them on my Radio Showwww!!!

Let me know if u have any sets for my show:)

HD aka Marc (SSRadio/GER):

Ich kann Dir garnicht beschreiben was mir hier gerade einer abgeht !!!!!!!

Jooooooooooooooooooooost

was für ein HAMMER "ja ist denn schon Weihnacht??"
der Jon Silva mix trifft mich direkt ins Herz Baby.
Und dann noch meine geliebten "The Disclosure Project"
Ich dreh durch.

Absolut das Beste der letzten Wochen ohne wenn und aber.

Wird an nummer 1 kommen in meinen charts das steht mal fest. Und ich werde den Track
rauf und runter drehen in meinen Shows.

[translation]: I'm missing words to describe my ejaculation right now. Jooost, what a bomb! Is
it X-mas already? Jon Silva remix touches my heart and then my beloved Disclosure Project,
too - I'm going crazy. Absolutely the best during the last weeks without any doubt. Will be #1
in my charts, that's for sure and I'll nail this one like there's no tomorrow in all of my shows.

DJ Electric (Luckystars/Russia):

Thank you for sending.

I love all mixes, but main from them is Make Me Shine (Scope's Noche Urbana Remix).

Will play today for sure !

Mike W. (Kolour Recordings/USA):

WOW!! what a package here from Pesto! It's so very rare that an EP comes out where every
single tune is right up my alley and something i would play. This is one of those EP's. I
remember the Cloudsteppers tune as a favorite from a few Pesto releases ago and these
remixes are nothing short of magnificent. It's so tough to pick a favorite out of this lot but if I
HAD to choose, I would definitely say the 'Bedroom Beach Remix' is my favorite one of all.
PURE CLASS! The Jon Silva Soda Inc. and Scope remixes are sublime as well!

This one will be HUGE! All the best with it Jost & Pesto.

Bobby Deep (Acuna Boyz, Deepsessions/Greece):

Thanks for thinkin about me...;-)

Jon Silva's Soda Inc rmx is smokin...

right up my alley!!!!

full support

Richard Earnshaw (Duff Note, Spiritchaser/UK):

Liking yours and Scope remixes here.... very nice. Support from the Spiritchaser camp. The
Disclosure Project mix is really nice too but too chill out for our club sets...

Pierre (Scattersound/Bulgaria):

I listened very carefully all the version and i'll try to write you birefly for each one. But first i'd
like to underline (The Disclosure Project Remix) and (Jon Silva's Soda Inc. Remix) as best
for me. The firs id perfect deep track for sunday monday night and jon's remix is awesome
club deep. For the 1st the deep mix the sax is too aggressive too noisy for the whole motiv
and emotion of the track. The second the perfect balance is made with the new saxophone
theme and the original track. For number 3 and 4 and 5 are very nice but 5 is best:)

I like the agresive beat of 3 very much but the synth is not in my blood. And 4 has life....ppl
will get use to it very fast. Unlikely 5 wich is timelees. Next 2 years i'll play the track every day
and won't get bored. Maybe that is why i liked nuber 2 too. Cris udoh's rework is too much
noisy, no ellegance at all which is the main think for the cloudsteppers. and i think the beat
and trebs are the problem...

I hope i was enough clear with my explanation though they are quite abstract.

good work

Ben Gomori (Data Transmission/UK):

Really nice stuff guys, Scope and Da Silva mixes are the winner.s..original is nice in a very retro way...Will review

Jamie Topham (CD Pool/UK):

Thanks for the Cloudsteppers promo - most excellent stuff! Unfortunately it got to me too late for December's HOUSE discs (CD Pool) and even tho I notice it will be fully available end of December, do you think we could run with one of the mixes on January's HOUSE discs?

Oh yes.. this is pure deepness. I love this release...I dig the silva remix. It's the right thing for me to play in the beginning of my sets...amazing.

Bios (Loud Society/Hungary):

Thanks for sending this pack rocks man! Very nice summer vibe with interesting re-interpretations. I like the original and the Bedroom Beach version but the absolute and total winner for me is the half-Soda remix. It's the kind of a deep stuff I'm in love with - in my bag.

Keep 'em coming bro.

Lenny Ibarre (Ibarre Recordings/Ibiza, Spain):

super groovy!

Chris G. (Pesto, Traxx/Australia):

01. Make Me Shine (Deep Mix) HOT! Obviously more on the chill side - great production, tight!

02. Make Me Shine (The Disclosure Project Remix) Set the mood and this is a BOMB!!!!!!!

03. Make Me Shine (Scope's Noche Urbana Remix) Busy but nice! I'd definitely buy

04. Make Me Shine (Bedroom Beach Remix) Very nice & light - Great summer number

05. Make Me Shine (Jon Silva's Soda Inc. Remix) Love the bumpy stabs! Had me movin!

Flowing nicely start to finish!

06. Make Me Shine (Chris Udoh's Rework) I like the feel attempted here, however I am not a big fan of the 'BIG' vocal reverb

07. Make Me Shine (Dub Mix) Dub version of the Deep Mix with a different Kick... works just as good for me! HOT!

08. Make Me Shine (Pesto FreeBee Version/Radio Cut) Nice!

Guys, a great little package indeed, all the tracks work well for me except for Chris Udoh's version :-)

DJ Linus (Exun, Pacha/Germany):

still know it from your sampler and still playing (Original/DeepMix)

Chris Tomsett (K-Bana, Duff Note/UK):

Wicked release.. Really good quality mixes from Jon Silva and Scope, both are my favourites.. Will be playing out for sure!!!!

Ross Couch (Body Rhythm/UK):

Thanks for the promo. The Dub mix appeals to me most out of the deeper mixes although The Disclosure Project do a good job with their reworking too. Jon Silva's Soda Inc Remix takes a different direction and is a good alternative mix.

your overall feedback: outstanding

most favourite mix: Jon Silva's Soda Inc. Remix

play/chart: yes/yes

charts on: Personal Website and SS Radio UK

additional comments and feedback: Fantastic release. Incredibly musical and moody track.

Every mix has something new to offer but my favorite is without a doubt the Jon Silva remix followed closely by the Disclosure Project Remix. I have a soft spot for Jon's effort because it's quality Deep House the way I remember that genre to be. Scope does his thing with his golden touch and doesn't disappoint either. This is a guy to watch in the not too distant future. I can't wait to play this release late in the set or even early to get the party going. To think of it I might play it twice to book end the night. Full support on the dance floor and the radio show. Much love to Pesto.

balErik (Alternative Route, Discoteca/Norway):

your overall feedback: outstanding

most favourite mix: Scope Noche Urbana Remix

play/chart:yes/no

additional comments and feedback: I love Scopes production! Warm and soothing like a hot bath. Refreshes the senses beautifully. I can see it working well in the last set of the night.

I'm also feeling the Deep Mix & The Bedroom Beach mix which would go down well in a warm up I suspect.

A tidy little package!

Keep up the good work.

Demarkus Lewis (Slip'n'Slide, Lazy Days, Conya.../USA):

Jon silva's mix does it for me .. Up second for the groove on the floor would be the Bedroom Beach mix .. Nice One!

The Deep Mix is sublime. The Jon Silva and Chris Udoh version will be getting played by me.
Escpecially like these two.

Zach DeVincent (Frisky Radio/USA):
gotta go with the Jon Silva and Chris Udoh mixes on this one. the Silva is that smooth yet funky sound i've come to expect, with just the right touch of soul elements from the original vocal. digging the pads and filtering on the Udoh mix.
